

INVOICING

It Pays to Pay at the Right Time

OPTIMIZE YOUR WORKING CAPITAL

INSTANT SUPPLIER ENABLEMENT

GOVERNMENT COMPLIANT INVOICING

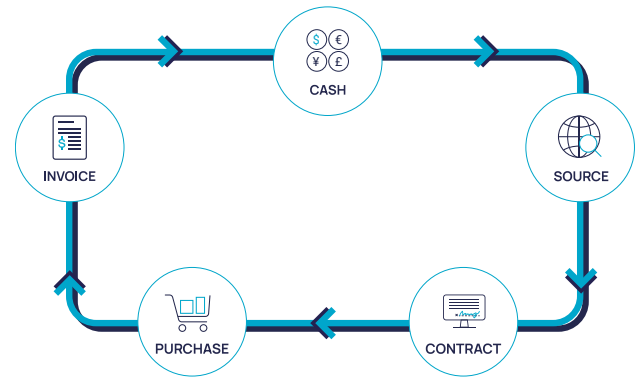

Ivalua's Invoicing solution ensures you pay suppliers at the right time, every time. We go beyond "OK-2-Pay" by bridging the gaps between procurement and finance. Instantly pay suppliers based on relationships and obligations by providing all stakeholders with visibility into your spend cycle.

Optimize Your Working Capital

All of your payments in one central repository will provide you with an unparalleled view of your working capital opportunities. Every payment is controlled by an embedded workflow to trap duplication, block fraud, consolidate supplier payments, and connect with Supply Chain Financing solutions.

Instant Supplier Enablement

Transforming invoicing and payments is made effortless with the supplier as the focal point. Within a matter of weeks, rather than lengthy years, Ivalua users can easily empower all suppliers through a user-friendly and cost-free virtual network.

Government Compliant Invoicing

Complex tax and government regulations are fully supported at Ivalua – including global compliance, VAT, sales, and usage taxes.

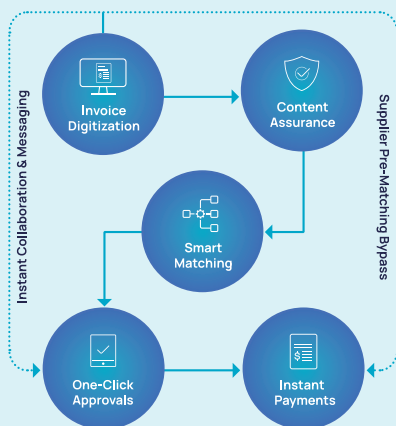

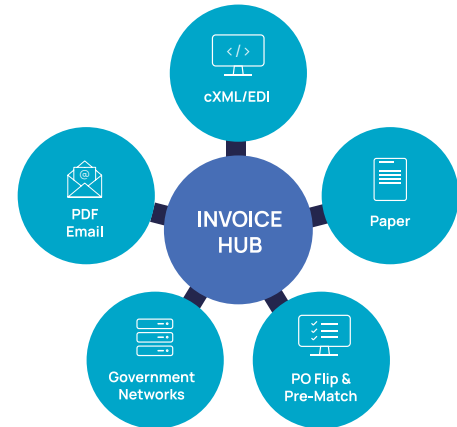

With Ivalua, CACI achieved 100% paperless invoicing across 96%* of suppliers in 3 months.

* 120,000 invoices per annum over 40,000 suppliers
